ABOUT US

CJ Corki authors are passionate speakers who value dedication, family legacy, and stories. As a seasoned author, CJ brings unique perspectives from their role as grandparents and parents of struggling learners. Their goal is to share the hard-fought lessons learned and empower the audience to unleash the untapped potential of intentional grandparents everywhere. Using real-world examples, CJ sheds light on how the invaluable experiences each person brings to their grandparenting role can positively impact the development of dyslexic and non-dyslexic grandkids' development.
